

Overview

This is a joint effort between the department of Computer Science and the School of Visual communication Design. The minor requirements, with existing and planned new courses from both CS and VCD are listed here. Web Design and Programming Minor requirements are open to CS and VCD MAJORS ONLY.

In order to complete the minor in 4 years, it is recommended that students choose this minor in the second semester of their Sophomore year.

VCD BFA Majors

BFA, VCD Majors do not generally choose a minor, they opt for the concentration instead.
